CLUE ONE

Clue One

If I don't tell you to cut yarn or change colours, don't! I always explicitly guide you through everything. Trust the process.

Unless I tell you to use a particular cast-on, it doesn't matter and you can do your favourite. My default cast-on is the long-tail, if you're interested.

Abbreviations & Techniques

BOR	beginning of round
k	knit
p	purl
M	marker
RM	remove marker
st(s)	stitch(es)
WS	wrong side

Have questions? I have filmed a lot of tutorial videos over the years. Here are two I think might help you with Clue 1.

Instructions

Today we are working on the hat. Which hat? You'll need to knit it up to see!

Using yarn A and smaller needles, cast on 48 sts.

Distribute sts evenly across needles and join for working in the round. Place BOR marker.

Rounds 1-4: (k3, p3) around - 4 rounds.

Place removable M in first st of Round 4 on WS to mark the start for picking up body sts.

Rounds 5-30: k all - 26 rounds.

If needed, rearrange sts equally on 2 needles. Hold needles parallel and with yarn coming off the back needle.

Bind/cast off with WS together with a 3-needle bind/cast off. Weave in ends.
